

**Northwest Territories Power Corporation**  
**www.ntpc.com**

**Director, Transmission and Distribution**  
**Hay River, NT**

Located near the Alberta/Northwest Territories border on a paved road system, Hay River is a modern northern community of approximately 3,600 residents. You will provide strategic direction and leadership in managing T & D and Customer Service programs, policies, and procedures to meet the needs of the Corporation. As a member of the senior management team you will be involved in developing and directing Corporate goals, financial and business plans, and strategies to ensure the effective planning and delivery of programs and services to achieve the Corporate mandate.

You will provide management and technical guidance to the Corporation's Transmission and Distribution (T&D) operations, including customer service, to ensure the efficient planning and delivery of T&D, as well as customer services.

**Qualifications:** Related Engineering Degree and a minimum of eight years of directly related experience in transmission and distribution or journeyman certification as a Power Lineperson with twelve years directly related experience. Your proven management and excellent interpersonal, leadership, presentation and communication skills will provide direction and guidance to work groups, build consensus, and motivate staff across the organization as a member of the executive team. Equivalencies considered. Proficiency with computers, preferably MSOffice Suite, is required.

Salary range is \$138,100 to \$167,800 per annum plus accommodation and location allowances of \$7,773 per annum. We offer a comprehensive benefits package, including a defined benefit Pension Plan and relocation assistance. **Open until a suitable candidate is found.** Qualified applicants are invited to submit a detailed resume quoting: **Competition No: 02-HR-12** Attention: Human Resources, 4 Capital Drive, Hay River, NT X0E 1G2 Fax: (867) 874-5229 or email: [careers@ntpc.com](mailto:careers@ntpc.com)
