

Fort Simpson Planned Outage Saturday, September 11

A partial outage is planned for Saturday, September 11, from 7-10 am as NTPC line crews extend the distribution service to a new customer.

This work will require a three-hour interruption to electrical service for approximately 120 customers.

Customers affected include:

- *Residents on the Flats by the Papal Site*
- *Residents and businesses from the airport to the top of the hill*

We thank you for your cooperation and apologize for any inconvenience.
