

Taltson Annual Shutdown **August 15th to August 26th, 2011**

To undergo annual maintenance, the Taltson plant will experience a planned shutdown beginning Monday, August 15th at 9 am until Friday August 26th at 10 am. During this time, the communities of Fort Smith, Buffalo Junction, Hay River and Fort Resolution will be run on diesel power.

This will result in:

- Brief outages in Buffalo Junction at the beginning and end of the Taltson shutdown.
- Fort Resolution will experience a short outage when hydro is turned back on.

We thank you for your cooperation and apologize for any inconvenience.
