August 10, 2020

We are pleased to announce that our customer service offices in Inuvik, Fort Simpson, Fort Smith and Yellowknife are now open. The office in Hay River will remain closed at this time.

In order to minimize risk to both employees and customers, physical distancing will be strictly enforced. Clear instructions have been posted in each of the offices and we ask for customer assistance in minimizing the number of people entering the office and using the hand sanitizer provided.

Thank you for your patience and understanding while our offices were closed as a result of the public health emergency. NTPC will continue to follow the advice of the NWT Chief Public Health Officer regarding employee and public safety.
